## Event 1

The Loop is the default mechanism for retrieving data from the database. The data that is retrieved is.....

### **The Australian Indigenous Governance Institute (AIGI) will convene an Indigenous Governance Excellence Masterclass in October this year.**

The Masterclass will combine guest speakers, presentations and interactive workshops on areas of Indigenous Governance. It will cover themes such as cultural legitimacy, innovation, best practice and succession planning. It will cover critical areas in Indigenous Governance.

Below is an overview of speakers and topics for the day.

---

#### **7:45 - Platform Orientation**

---

#### **9:00 - Opening Remarks & Performance**

---

## 10:00 - Opening Keynote
